My dear Mrs Garrison

The Bearer of this is one of my nieces, Miss L. A. Jones. I take this opportunity to say that sooner than cause you any loss of time, or fatigue, I would lose the opportunity of having the honour and pleasure of a personal interview

The packet if left with the Miss Biggs, 19 Notting hill Square

Nothing will reach me safely as will a note or message. They are also intimate friends of Mrs. C. A. Taylor

I remain yours
respectfully and affectionately
Jane Ashby
